Many thanks [REDACTED]. Will the meeting be at Temple Street?

By copy, I'm asking [REDACTED] to confirm who will attend from our side.

Very grateful for your help on this.

Hi [REDACTED]

[REDACTED] has time for a phone call 10 – 11 on 2nd September but [REDACTED] is not available then, and is not free until the following week! Not easy. I'll book you in for 8th.

Cheers,

[REDACTED]

Hi [REDACTED], I'm on leave by then but maybe the rest of the team can cover it. Can you hold the time for now and I'll check and come back to you. I assume there's nothing the week before when I'm still around? I could get here for Tuesday afternoon for example if not Wed or Thurs.

In meetings now until late today but will come back to you then.

H [REDACTED]

They are both free on 8th for about 9 – 10.30 but would have to be by phone as [REDACTED] has a meeting in Swindon afterwards; does that suit?

Cheers,

It would be great if you could set something up. Is there any availability on the 2nd or 3rd of September?

I'm really grateful for your help [REDACTED]

Hi T [REDACTED]

He's not in Bristol today, I have looked for him, keep trying on his phone and email him as well on [REDACTED].

I have access to [REDACTED] calendar and I can see if [REDACTED] is busy or not on his calendar- I can try to set up a meeting for you?

Cheers,

Morning [REDACTED], I'm sorry to trouble you again but I'm not having any luck getting to speak to [REDACTED]. I need to arrange a meeting with him and hopefully [REDACTED] when she returns. Is there anyone you can put me onto there who can look at diaries for me please?

I'd be very grateful.

Thanks very much [REDACTED]. You might be able to help. I need to find out who it's best to talk to as a starting point. Could you give me a call or I can ring you if you give me your number...

Hi [REDACTED]

Yes of course, his number is [REDACTED] and I know he is really busy at the moment so it may take some time to reach him! Good luck and let me know if I can help.

Cheers,

[REDACTED], any chance you could give me a ring please? I've been trying to get through to [REDACTED] who is on leave. [REDACTED] picked up my call earlier today and said she would get a chap called [REDACTED] to ring me but he hasn't yet. Do you have a number I can contact him on by any chance? I stupidly didn't take a note of [REDACTED] number or [REDACTED] surname.

I'm trying to get some urgent help from Network Rail with regard to the Arena project.

Many thanks
